ABOUT OUR HISTORY

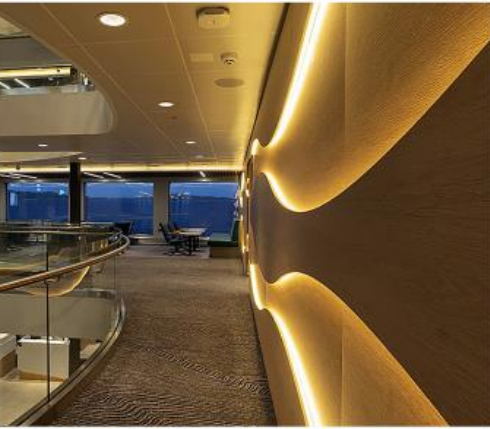

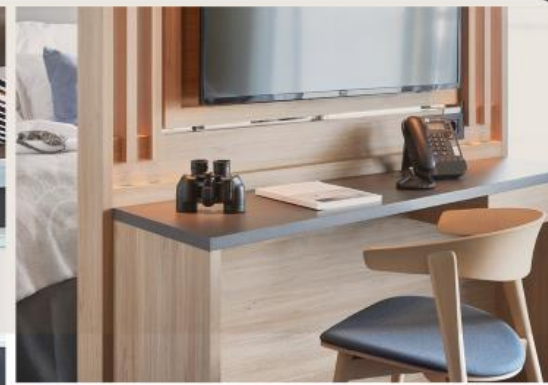

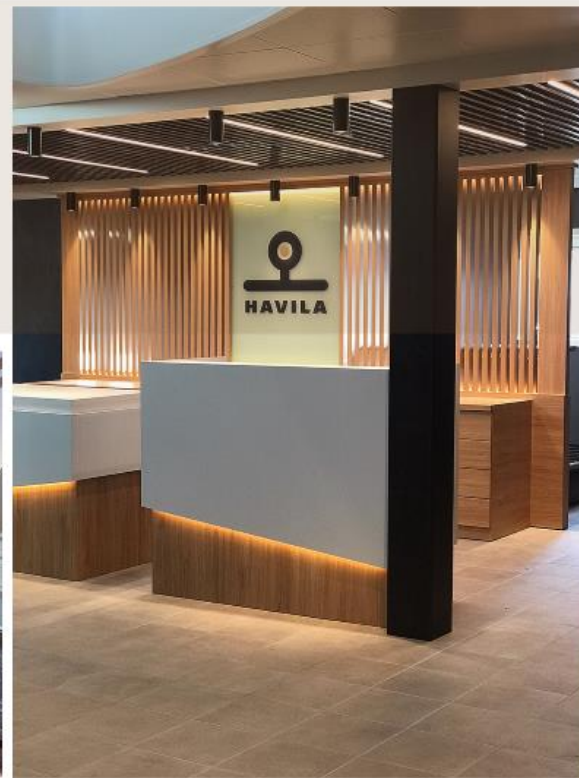

Founded in 2018 in İstanbul, by Emre Gürsu. In 2018, only land furniture production started. MOBAT started production of ship furniture in 2020. Produced cabin and general space furniture for passenger and fishing vessels. In 2023, Emre Gürsu established his own brand, Mobat Interior.

Each piece of furniture is produced by expert craftsmen. MOBAT has a team of highly skilled architects,engineers and technicians.

The company combines different materials such as solid wood, veneer, varnish, HPL, plywood, leather and metal in its products.

MOBAT

To whom it may concern

Havila Kystruten built the vessels Havila Capella, Havila Castor, Havila Polaris and Havila Pollux at Tersan shipyard in the period 2020-2023.

These are passenger vessels sailing the Norwegian coast between Bergen and Kirkenes.

MOBAT has completed and delivered the furniture works at deck 6, 7, 8 and 9 at these projects as required and to our fully satisfaction.

Thank you for your contribution and work in these projects.

We recommend MOBAT as a supplier for furniture works for this kind of vessels.

Best Regards
